

HILLCREST PHYSIOTHERAPY

COVID 19 UPDATE

As from the 24th March 2020 until further notice we will be unable to offer face to face physiotherapy consults and are moving to telehealth consults.

There will be no surcharge for an ACC covered telehealth consult and a 20% reduced fee for private consultations.

We have a secure video telehealth link through an app called **physiapp**, which you can download onto your smartphone.

Appointments can be booked on 07 8564656 between 9am and 3pm

Or email: reception@hillcrestphysio.co.nz

Please beware this is new for all of us and there may be the odd teething issue, not much time to test drive it all 😊.

All classes will move to an online format.

We will continue to strive to offer the best possible service we can amid difficult times.
